Multilingual After School /School Age/Summer Camp Program

Discipline and Guidance Practices

Dear Parents,

Welcome to Multilingual Academy! We are glad you are interested in enrolling your child to one of our School Age Programs (After School / Summer Camp / Holiday Camp). It is our hope that together we can make this a positive and enriching experience for everyone involved. This handbook was developed to inform parents of the Center's policies and expectations. Parents will be given a new electronic copy after an amendment is done, as well as be informed of any policy changes in writing as they occur throughout the year.

Parents are expected to read and be familiar with the information contained within this packet. Note that this document serves as a contract between you, the parent, and Multilingual Academy, stating that you are aware and agree to abide by our policies and procedures. The **"Acknowledgement of handbook,"** which is located at the end of the packet, must be signed, dated and returned **before your child may attend one of our programs.**

Our Mission: It is our mission to meet the linguistic and academic needs of Bryan/College Station school-age students by providing a safe and fun Virtual School Program for kids ages 5 and up, and who must be officially enrolled in a K-8th program at ILT, CSISD or BISD..

In addition to the academic curriculum that our teachers will help your child follow from their own schools, our MULTILINGUAL VSP is a great support for any child that is in a multilingual or dual language program in town. Our certified teachers and instructors help motivate multilingual learners to become not only more independent, but to become bicultural.

Multilingual After School /School Age/Summer Camp Program

Our Staff: The Center's President and owner is Mrs. Forsyth M.Ed., a Texas certified Bilingual Education teacher and School Administrator with experience teaching all ages. Mrs. Forsyth serves this 2022-2023 school year, as the Head of our lead teachers for the ASP, leads a team of teachers and instructors who work one-on-one with our students' needs and who work in groups as well depending on the assignments, homework and/or school projects.

Additional School Age Program staff is carefully selected from a variety of applicants. Our staff members are typically Bilingual Education or Early Childhood Education students from Texas A&M university or Blinn College, as well as experienced elementary and secondary teachers.

We maintain the required student to teacher ratio, ensuring that your child is always supervised, and enabling our counselors to better get to know your child. You can find an up-to-date staff list posted in the "Parents Need to Know Board".

The assigned After School Program Instructor/Driver will pick up your child at the assigned school bus lane. **It is your responsibility to let your child's school know they will be picked-up by Multilingual Academy.**

In case your child is absent, the assigned driver will contact the parent/tutor assigned in the registration form, before leaving the school to ensure that no children are left behind. Please let us know if your child will be absent from school or if there is any other reason why we should not pick up your child from school, by messaging our staff through your child's ProCare APP account..

Medical Emergency Procedures

Multilingual Academy is extremely concerned and cognizant of our role in correctly managing situations that require first-aid and/or emergency care. Our staff is required to be certified in CPR and basic first-aid training. Specific safety and emergency procedures are posted throughout our facility and within the staff handbook.

Fire drills occur once a month and severe weather drills are held each semester..

Medical Emergency: In the event of an actual medical emergency, EMS (911) will be called and first-aid protocol will be followed. Multilingual Academy instructors are certified CPR/First Aid. If transportation is necessary the program director or director's assistant will accompany the child to the hospital. Parents will be notified by phone at the number specified on the enrollment form and/or sign-in sheet.

EMERGENCY PREPAREDNESS

In the event of an actual evacuation due to fire, severe weather, flooding, terrorist attack, etc., all parents will be notified and given one hour to pick up their children. The staff will do a name to face roll call every 15 minutes using the daily attendance records brought from our facility and the director will communicate with local authorities, and parents using a personal cell phone. In addition, all parent emergency contact numbers, authorizations for emergency medical care and registration forms will be transported and available for use.

Multilingual After School /School Age/Summer Camp Program

Parental Notification Procedures

Medical Notification: Parents are notified of any accidents. Accident reports are filled out by the attending staff member and signed by the director or supervisor. Parents are also asked to sign the accident report as proof that they were notified. Although accidents do unfortunately occur, safety is our number one priority in all of our activities.

Notification of Policy Changes:

Parents will be notified in writing of any change to our operational policies and enrollment agreement. Once changes have been enacted parents will need to sign a form indicating they are aware of the changes that were made.

Redirection/Discipline:

Multilingual Academy uses positive methods of discipline and guidance. Our goal is to help develop and build a child's self-esteem and confidence. We believe that every child should learn to take ownership of their actions and learn to make appropriate choices before acting. Our staff will attempt to avoid discipline problems by:

- Making rules clear and simple
- Being consistent when dealing with children

The staff is trained in the emotional make-up of young children and will be flexible in their approach to discouraging a potential problem.

Specific techniques used by all staff for discipline will be to:

- Speak to the child at his/her level while maintaining eye contact and using a calm voice

Multilingual After School /School Age/Summer Camp Program

- Listen to the child's explanation of his/her behavior
- Remind the child of rules at school
- Speak to the child in positive, not negative terms
- Remove the child from the group and placing in time out for one min of their age (example; 4 year old= 4 minutes, and 5 year old= 5 minutes)

****Aggressive behavior will be handled immediately****

- Discipline will be individualized and consistent for each child, appropriate to the child's level of understanding, and directed toward teaching the child acceptable behavior and self-control.
 - A caregiver will only use Multilingual Academy's "Self-Responsibility" methods of discipline (Self-Responsibility Discipline Method teach the child to be responsible for his/her acts, and learn to make good choices that lead to positive outcomes) and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:
 - o Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
 - o Reminding a child of behavior expectations daily by using clear, positive statements
 - o Redirecting behavior using positive statements
 - o Using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age
- *Multilingual Academy will not use harsh, cruel, or unusual treatment with any child.*

Multilingual After School /School Age/Summer Camp Program

Discipline/Incident Reports

Multilingual Academy directors and staff will try every means possible to avoid having to write a child up, but unfortunately there are times that it may come to that process when necessary. After a child's initial write-up, the consequences for further misbehavior are as follows. Dismissal may occur for an inappropriate behavior of a child which violates the rights of theirs and/or which shows no improvement after the following steps are taken to change such behavior.

Our teachers follow a 4 step process when it comes to write-ups for a child.

1. Parents are notified about the child's behavior by a note and/or phone call.
2. A conference is held with parents, teacher, and the director to develop a plan to deal with inappropriate behavior.
3. A second conference is held between the parents, teacher, and director to reevaluate the inappropriate behavior.
4. One week suspension from school (if they child is sent home on a Monday, they may not return back to school for one week until the following Tuesday).
5. The child is dismissed from the program when no improvements are seen within the time period that is to be set by the director, teacher, and parent of the child.

*During each parent conference, the parent is expected to work with the director and other teachers in helping to address the behavioral issues of the child, so as to avoid any further suspensions and ultimately expulsion from the program.

Multilingual Academy is deeply committed to seeing your child grow in their time in our facility and we want to avoid having to use these more serious discipline actions. Please be aware that we do hold the right to bypass any of these steps and act immediately with the more severe consequences such as a suspension and expulsion.

Food Allergies

The safety and well-being of our participants is our number one concern. We must not only keep this in mind during our field trips and planned activities, but as well during our meal times. Due to some children's severe allergic reactions to nuts and other food allergens, all children will be required to wash or sanitize their hands before/after each and every meal time.

If your child has a food allergy please make sure to note it on their registration form as well as provide Multilingual Academy with the "Allergy Plan" form and any medication meant to treat a reaction (i.e. Benadryl, Epi-Pen).

*During snack time, children with food allergies will be sat separately at a table without any food that is harmful to them.
